What was your overall first impression of the website?

It's visually impressive, modern, and very professional.

Did you have any technical difficulties as you navigated through the pages and displayed the projects?

No significant issues, but the lack of mobile responsiveness was noticeable.

What do you feel are the most effective design elements of this web portfolio?

The color scheme and clean typography stand out, along with the well-organized projects.

What would you suggest be changed with the design or content of this web portfolio?

Focus on improving mobile responsiveness and the detail in your project reflections.
